## Council Votes To Reconsider Removal Of Oval In Lincoln Square; Aroused Citizens At Session Express Opposition

The forces opposed to the removal of the center plot in Lincoln Square won at least a partial victory Monday night, when members of the borough council, which voted on November 6, 1950, for the removal of the oval, voted to reconsider this action.

More than 75 persons, representing a variety of local interests — the Retail Merchants association, the Women's Civic council, and its affiliated organizations, the Gettysburg camp of the Sons of Union Veterans and individual citizens — jammed the council chamber at the fire engine house at Monday night's regular August council meeting, to protest, through several spokesmen, the plot's removal.

It was the largest gathering of citizens and taxpayers brought together at a council meeting in many years. The usual number of chairs in the council room did not begin to meet the need, and chairs were moved into the room from the fire company's meeting room across the hall. Several persons stood throughout the session.

### Vote To Reconsider

The motion to reconsider the November 6 action for the removal of the center plot, which was "reaffirmed" at a meeting held July 2 of this year, was made by Councilman George D. March, and seconded by Councilman Harry Koch. It was adopted by voice vote. No poll of the council members was taken. All were present except Councilman J. Calvin Shank, defeated for renomination in the Second ward.

Monday night's action of the council does not rescind the November vote to remove the center plot. No motion was offered on this action Monday night. It was the opinion of Councilman H. M. Oyler, president of the council, who was opposed to the removal of the center plot, and others at the meeting, that the vote to "reconsider" would "stay" the proceedings and that the removal question probably would not be brought up again.

### Express Opposition

Opening remarks in the discussion of the center plot were made by Burgess William G. Weaver, at the request of President Oyler. "I am impressed," he said, "by the fact that this couldn't happen anywhere but in America," as he referred to the "town meeting" gathering in the council chamber.

"The councilmen have their side in this question, and they will listen to your side. They are trying to give this town what they feel is best for the town."

Charles B. Bender, president of the Retail Merchants association, was the first speaker. He recalled that "some time ago the question of removing the center plot came up, and many organizations opposed it. I thought that was the end, but some time ago it came up again, and some time last week a meeting was held to carry out the minutes of last November's meeting."

"We should be extremely proud that Lincoln's Gettysburg Address, known throughout the civilized world, was made here, and I think that we should adhere to government of the people, by the people and for the people. I think you should do, not as you want to do, but as the people, the taxpayers want."

"I'm glad we are not in Russia, but if we let certain persons impose their will on us, we'll be in Russia. I would say that 75 per cent of the people are not in favor of removing the center plot. I'd like to see the council take a roll call tonight and see this matter settled, once and for all."

"I'm sorry I can't grant your request," President Oyler replied. "It's out of order. I don't want to be accused of putting anyone on the spot."

### Cites New Highway

Rev. Willis R. Doyle, commander of the Sons of Union Veterans, said this organization had gone on record for a program leading to the erection of a statue of Abraham Lincoln in the center plot. He endorsed the views expressed by Mr. Bender, and said he understood that one of the purposes in the removal was to relieve traffic congestion.

"I understand that a bill has been introduced or is about to be introduced in the state legislature to create a branch of the superhighway west of Gettysburg to the little pentagon and on to Washington. This should relieve much of the congestion in Lincoln Square," he said.

G. Henry Roth, past commander of the SUV, said: "Our job primarily is to promote patriotism, but in addition, whatever we do to make Gettysburg a greater tourist center reflects to the advantage of all of us. A new superhighway passing close to Gettysburg would take most of the big trucks away from the center of town, and a statue of Lincoln would make the town more attractive."

## Police Will Do Traffic Duty In Rush Hours

Borough police officers will be directed to direct traffic in Lincoln Square during rush hours or congested periods daily.

The suggestion was made at Monday night's council meeting by Councilman John D. Teeter, who said he had received complaints that traffic "piled up" in the square when freight trains halted traffic on Carlisle street.

"There is no reason why the square should be jammed because traffic is halted on Carlisle street," he said. He also suggested that officers be on duty to direct traffic during the hours of rush traffic when workmen are leaving factories.

Burgess William G. Weaver said the suggestions would be carried out.

## TOWN POLICE WILL RECEIVE PAY INCREASES

Borough police and employees of the borough highway department were granted salary increases by the borough council at its August meeting Monday night at the fire engine house. Pay raises were made effective immediately.

Police officers will receive an increase of \$440 a year, bringing their salaries from \$2,160 to \$2,600 annually. The highway department employees were granted increases from 85 cents an hour to \$1 an hour, and the foreman was granted an increase from \$200 a month to \$225.

Burgess William G. Weaver recommended the increases for the police department. He declared that it could be taken out of funds set up in the budget for a chief of police. There has been no chief since the resignation of Robert C. Harper several months ago, and the burgess said it was the intention of the police department to "get along" without one.

Save Chief's Pay  
The increases will add \$2,200 to the police payroll. The chief of police's salary was fixed at \$3,000 in the budget. Harper, who received \$2,760, resigned when council failed to raise his pay to \$3,000. The saving in the chief's salary will take care of "extra" policemen, the burgess said.

Councilman L. D. Shearer recommended the increases for the police department. He declared that it could be taken out of funds set up in the budget for a chief of police. There has been no chief since the resignation of Robert C. Harper several months ago, and the burgess said it was the intention of the police department to "get along" without one.

# TRUCK LOADED WITH DYNAMITE IS DEMOLISHED

**Mercersburg, Pa., Aug. 7 (AP)—**A trailer truck carrying six tons of dynamite exploded with terrific force today, damaging two nearby houses and breaking windows in Mercersburg, five miles from the scene. Several persons suffered minor injuries but no serious injuries were reported.

The explosion tore a hole in the ground 30 feet deep and 100 feet wide.

The blast occurred after the truck left the highway while descending a mountain grade near Cove's Gap in Franklin county and toppled over an embankment.

The driver, Raymond Bess, of Eldred, leaped from the truck and ran to the nearby home of George Armstrong, warning him the dynamite might explode. Armstrong, his son and daughter hurriedly left the house.

Bess and Armstrong stationed themselves at each end of the highway stopping traffic while the fire raged. Fifteen minutes later the dynamite exploded, demolishing the truck and badly damaging Armstrong's home and an adjoining cement block house, which was untenant.

Lulu Rockwell, on the porch of her home a quarter of a mile away was knocked down and suffered a slight elbow injury. Four-year-old Esther Gordon, asleep in her bed at Mercersburg, was cut by glass from a broken window.

# LEGION OPENS PA. CONVENTION

**Pittsburgh, Aug. 7 (AP)—**Top officers of the Pennsylvania department, American Legion, led the first of 7,500 delegates into the steel city today to open the group's 33rd annual convention.

Registration and policy sessions of the executive board got the convention underway, with an auxiliary reception planned for old time movie idol Francis X. Bushman.

Before the convention winds up Saturday with election of a new department commander, delegates will have had five busy days of speeches, business sessions, parading, resolutions, electioneering and dancing.

The first business session will be held tomorrow night. Governor John S. Fine of Pennsylvania will be the principal speaker. General Mark W. Clark will address the convention Thursday night. The Legion's traditional and colorful parade will wind through the Golden Triangle streets Saturday morning.

Two candidates have emerged for the state commander's job. They are attorney John Elder, Jr., of the Homewood section of Pittsburgh; and Lieut. Jack R. Dodson of the state police. Dodson commands the state police troop with headquarters in Greensburg. He also is a former member of the Punxsutawney post.

Two resolutions which decry what they call un-American activities at the Pennsylvania State college will come before the convention. One of the resolutions will be submitted by the American Legion district embracing the college area and the other will come from the post in State College, Pa., home of Penn State.

# Nine Navy Airmen Plunge To Death

**Seattle, Aug. 7 (AP)—**Nine navy airmen plunged to their death yesterday in the crash of a PB4-Y Privateer patrol plane at the entrance to Puget Sound.

The four-engine bomber fell into the water about four miles west of the Whidbey island naval air station. Wreckage was strewn over a quarter mile area. Flaming oil bubbled on the surface, but quickly burned itself out.

Two bodies were recovered within an hour of the crash. A search was continuing for the others. Names of the victims were withheld by the navy.

The big plane, based at Sand Point Naval Air station in Seattle, was on a low altitude training flight when it crashed. There was no indication what sent it diving to disaster.

# TRAIN HITS AUTO

**Malvern, Ark., Aug. 7 (AP)—**At least eight persons were hurt early today when a Missouri Pacific streamliner plowed into a stalled automobile at a crossing on the outskirts of Malvern. The two-unit diesel engine overturned after reversing its direction and tearing up about a quarter-mile of track. At least five cars were derailed, but none overturned. The last ten cars, most of them Pullmans, remained on the tracks.

**Washington, Aug. 7 (AP)—**A university professor, who identified himself as a former German Communist, told Senators today he met Michael Greenberg, a former government official, among "Communist friends" and had assumed Greenberg was one.

With this testimony from Dr. Karl August Wittfogel, the Senate internal security subcommittee put into its record an August 31, 1943, letter on White House stationery, with the typed signature of Michael Greenberg.

**Goshen, N. Y., Aug. 7 (AP)—**Twenty-one standardbreds were named for the Hambletonian today assuring tomorrow's winner, the richest reward in the history of the event. The field, which will start in two tiers of 11 and 10 horses, also is the largest ever listed for the two-of-three heat race over a mile track at Good Time Park. That also is a record, passing the 1945 mark by two. The purse tomorrow will be worth approximately \$96,000 with 55 per cent going to the winner.

**Cairo, Egypt, Aug. 7 (AP)—**Egypt has warned Britain that she intends to cancel the Anglo-Egyptian mutual defense treaty by the end of this month. The treaty, which permits Britain to keep troops at the Suez canal, has been a sore spot between the two countries since the end of World War II.

# Writes To Truman

**President Nikolai Shvernik** (below) of Russia sent a letter to President Truman August 6 proposing a five-power pact for the strengthening of peace. Shvernik also enclosed a lengthy "peace resolution" passed by the Presidium of the Soviet Union. Receipt of the letter was announced in Washington August 6.

# DEATH

**Mrs. Emma Slaybaugh**

Word has been received by Mrs. David Irvin, Carlisle street, of the death of her aunt, Mrs. Emma Slaybaugh, 88, of Bastrop, Louisiana, July 29. Death was due to kidney trouble.

She was the wife of the late Harry Slaybaugh and lived in Mt. Pleasant township before moving to Slayton, Minn., several years ago. She was a daughter of the late David and Ella (Bankert) Wentz, of Adams county.

Survivors include four sons and four daughters, several grandchildren and great-grandchildren, many of whom live in Minnesota. In addition, she is survived by two sisters, Mrs. Anne Wingert, of near York, and Mrs. Vertie Harmon, Gettysburg R. 4. Several nieces and nephews live in Gettysburg and vicinity.

Funeral services and interment were conducted in Slayton, Minn.

# Find Leg, Clothing On Alaskan Beach

**Anchorage, Alaska, Aug. 7 (AP)—**The discovery of a human leg and parts of a pair of green whipcord trousers on the beach at Yakutat, held a possible clue today to the fate of a Korean airlift plane missing since July 21 with 38 persons.

Tenth rescue squadron is now expected to concentrate its search for the craft along shore waters of the Yakutat area. Three Juneau doctors said the leg had been exposed to water about two weeks—about the length of time since the airlift plane disappeared.

The trousers, which were found some distance from the leg, were from a different person, officials said. A check was being made of laundry marks for further clues to the person who wore them.

There was no positive confirmation from Canadian Pacific Airlines, operators of the airlift plane, that either find was connected with persons aboard the ship.

# Here's A Fish Story With A New Ending

**Quincy, Mass., Aug. 7 (AP)—**Eight-year-old Frank J. Rubin, Jr., was pretty happy over the bass he caught—but not so his doctor father who says it cost him \$1,000.

The youngster put the fish in the bathtub to keep it alive and then opened the window to supply it with fresh air.

A thief got in through the open window yesterday and stole \$300 in cash, a \$300 camera and \$400 worth of silverware.

# LANCASTER LIVESTOCK

**Lancaster, Pa., Aug. 7 (AP)—**Cattle 1,017, good grade dry fed beef heifers sold \$33-35; grassers were slow at \$23-26. Calves 108, market \$1 higher than Monday. Hogs 114, not enough stock to establish a market. Sheep 95, no change in the market.

# FOR A JADED PALATE

**New York, Aug. 7 (AP)—**Want something different for dinner? A new market opened here today offering: Ostrich eggs at \$45 each. Steaks and chops sliced from llama, auodads, caribou, tahr goats, reindeer and bison, at \$2 and more a pound.

**Washington, Aug. 7 (AP)—**Officials from 15 states have been called here Thursday, perhaps to hear a government plea for cooperation in restricting the use of natural gas.

They are from states which have natural gas control laws. The recently-passed Defense Production Act provides that natural gas controls do not apply in such states.

**Washington, Aug. 7 (AP)—**A Pennsylvania state police captain named Louis Cohen today as a big interstate gambling operator reaping a \$30,000,000-a-year harvest from lotteries in Pennsylvania alone. Capt. Harry E. McElroy, testifying before the Senate crime committee, named Joseph Sine of Scranton as Cohen's chief lieutenant.

Captain McElroy also told of an attempt to bribe one of his officers to "lay off" Cohen.

# ANOTHER READY TO TRY FALLS

**Reading, Pa., Aug. 7 (AP)—**A 39-year-old veteran of World War II said last night he will challenge the Canadian falls which won a bet against the life of a veteran riverman.

Phillip A. Wessner, Jr., said he would try to ride over the 165-foot cataract in the same kind of contraption that brought death Sunday to William "Red" Hill, of Niagara Falls. Ont. Wessner said he had been offered \$10,000 to make the attempt, but declined to name his sponsors.

Wessner said he had "all the confidence in the world of being the fourth person to go over the falls." He said he was acquainted with Hill's younger brother, Major, and "would like to make the attempt in Major's place."

Major said Sunday night he would defy the falls, probably next Sunday, in the same steel barrel he used last year when he was hauled out of the river by police before he reached the brink.

But after his brother's body was recovered in the lower Niagara river basin yesterday, Major told a friend he probably would not attempt the stunt again.

"Red" Hill went over the falls Sunday in a contraption made of 14 old truck tire inner tubes bound together with cotton webbing and encased in a fishnet.

# Fire Chief Has Fire Of His Own On Duty

The firemen were enroute to a fire when they had to stop and put out a fire.

The whole thing happened to the Waynesboro Fire department Saturday night. The firemen were enroute to a farm fire led by Fire Chief Orlov E. Helm, Jr.

Suddenly Helm jammed on his brakes and stopped the procession.

It seems that the fire chief's car was on fire. A tank of carbon dioxide put out the blaze and the firemen continued on to the farm fire to which they had originally been called.

# Woman Candidate For Governorship

**Jackson, Miss., Aug. 7 (AP)—**Eight candidates, including a woman, seek the governorship of Mississippi in the Democratic primary today. Liquor is illegal in Mississippi, and legalization was one of the principal campaign issues.

In one-party Mississippi, nomination in the Democratic primary is equivalent to election. If no candidate gets a majority in today's primary, the two top candidates go into a run-off primary August 28. Term of office, beginning in January, is for four years.

Gov. F. L. Wright, who bolted the regular Democratic party in 1948 to become the States Rights' vice presidential nominee, is not a candidate for re-election as under Mississippi law, a governor cannot succeed himself in office.

## LUNCHEMEN WIN SPOT IN FINAL LEAGUE SERIES

Texas Lunch Monday night won the right to appear in the final series for the championship of the Gettysburg community softball league.

In a game closely played by both sides, the Texas Lunch won 11 to 9 over the Stanton Legion, to take the second in its series of three with the Legion and win the right to the finals.

Rain wiped out the second half of the win-bill scheduled for the Recreation park and the Moose and Glenn L. Bream were unable to play their half of the semi-final series. Their game will be played this evening at Recreation park at 8 o'clock.

The final series of three games will be held starting Wednesday at 8 p.m. when the victor in tonight's Moose-Bream game will play Texas Lunch.

### Tight Game

The lead see-sawed in Monday's game. Stanton Legion pushed across one run in the first inning, and Texas Lunch countered with two runs in that stanza. Neither team scored again until the fourth when the Legionnaires poured seven runs across to have an eight to two lead going into the second half of the fourth. The Lunchmen added four runs in their half of the fourth and then added four runs in the fifth to put themselves into the lead and win the ball game.

## WOMEN GOLFERS TO DECIDE TITLE

Pittsburgh, Aug. 7 (AP)—Eastern Pennsylvania women golfers held an eight to six edge today as they teed off in match play for the Pennsylvania Women's Golf championship at the Allegheny Country club.

Nancy Slaw, 19-year-old brunette, from the Plymouth Country club near Norristown, commanded the qualifying play yesterday. She shot a 41-38-79 to cop the medal. She was four over women's par of 75.

Mrs. J. M. Gessler, of Whitmarsh Valley, Philadelphia, the 1950 state runner up, finished second with 43-47-80. Betty Fehl, Reading Country club, defending champ, and Ethel Benson, Sunnybrook Country club, Philadelphia, tied for third with 81's. Mrs. John M. Dyson of Valley Country club, Hazleton, was fifth with 40-42-82.

Western Pennsylvania's six competitors in match play all finished above the 82 mark.

Here are the match play pairings for the championship flight: Slaw versus Mrs. J. A. Hayes of Philadelphia; Dyson versus Kathleen Riley of New Castle; Fehl versus Sonia Wise of York; Mrs. Thomas Nolan of New Castle versus Jane Martin of Pittsburgh; Gessler versus Mrs. Lynn Creason of Harrisburg; Mrs. John C. Burgess of Nemacolin versus Mrs. John S. Brown of Pittsburgh; Ethel Benson of Philadelphia versus Betty Knoedler of Pittsburgh; and Josephine Smith of Philadelphia versus Mrs. T. E. Webster of Philadelphia.

## Johnny Saxton Wins 18th Straight Fight

Philadelphia, Aug. 7 (AP)—A nine-month hitch in the army does not seem to have harmed the prospects of Johnny Saxton, New York welterweight fighter.

In three fights since shedding a uniform, Saxton, 144½, has kept his victory streak unblemished—and has added three straight knockouts to the record.

His 18th straight victory was scored last night with a five-round technical knockout over Joey Cardo, 143½, Youngstown, O., in a scheduled 10-round fight before 2,273 at Toppi stadium.

Referee Pete Tomaso declared the New Yorker the winner when trainer John Sula refused to allow Cardo in the ring for the sixth round. Saxton had opened a cut on Cardo's left eyebrow in the second round but Dr. Willard B. G. Terry, state commission physician, twice ordered the fight to continue.

## GRAZIANO WINS FROM HUNTER

Boston, Aug. 7 (AP)—Rocky Graziano who hopes to regain the world middleweight championship one day, won another fight last night—from Chuck Hunter of Cleveland—but there was considerable confusion before the verdict was announced finally.

Massachusetts boxing commissioners announced, belatedly, "Graziano wins. Hunter is disqualified and his purse forfeited to the commonwealth."

Graziano, who had a similar experience four weeks ago in Kansas City with Cecil Hudson of Milwaukee, appeared to have knocked out Hunter late in the second round.

Referee Ed McDonald began counting when Hunter went down after being hit on the chin by a Graziano right cross. McDonald appeared to have counted Hunter out and headed for that portion of ringside where the commissioners sit.

The two fighters began mixing again and McDonald stopped them. The fight was announced "no contest."

McDonald explained only, "The whole thing stunk from the start. Hunter was slumping," before Commission Chairman Peter (Tansey) Norton pulled him aside. The news went out before Norton and Commissioner Tommy McFarland reappeared at the deserted ringside and told boxing writers the final decision. They reported Hunter was disqualified by McDonald and Judges Jim Shaughnessy and Joe Santapio and Graziano awarded the victory.

## "MR. X" LOOMS AS POSSIBILITY FOR CHANDLER'S JOB

New York, Aug. 7 (AP)—Who is the "Mr. X" the club owners refuse to identify as their dark horse candidate for baseball commissioner?

As the 16 big league executives convened today to elect or get a closer line on their next commissioner, "Mr. X" appeared to be the possible choice over the "big five" in the fore of the speculation.

The five are Gen. Douglas MacArthur, the tremendous national figure; James A. Farley, the business man; and George Trautman, Ford Frick and Warren Giles, the baseball men.

Other on the slate containing some 30 to 35 names include Gov. Frank J. Lausche of Ohio, Sen. Edwin Johnson of Colorado, and Chief Justice of the Supreme Court Fred M. Vinson.

But the identity of "Mr. X" remains a deep, dark secret.

One owner, who didn't want his name mentioned, agreed the big five were out front. He added, however:

"But there is one other name so highly placed that it would embarrass him if it were to be known. The general feeling is that no new commissioner will emerge from the meeting. But that was the feeling back in 1945 when A. B. (Happy) Chandler was elected."

Chandler was the dark horse who won over such candidates as Bob Hannegan, Farley, Frick and Giles. Happy was chosen after an all-day session kept going at the insistence of Larry MacPhail, then president of the New York Yankees.

"We'll come out of this with a commissioner," he said, "if I have to lock the doors and keep them (the owners) here all night."

Whoever he will be, the new commissioner is assured of receiving a higher salary than either of his predecessors, the late Judge K. M. Landis and Chandler. Landis' salary was \$50,000. Chandler's was increased after a few years to \$65,000. The latter resigned last month after the owners refused to vote him a new term.

## Interstate League

(By The Associated Press)

The Allentown Cardinals picked up a half game on the idle Hagerstown Braves last night by defeating the Lancaster Red Roses 4 to 2.

The win placed the Cards four games behind the front running Marylanders.

A fourth inning home run by catcher Ed Polak with one man on base broke a 2-2 tie and gave Allentown its victory and a full sweep of its four-game series with the Roses.

Righthander Dave Manier, who posted his eleventh win, was forced to retire in the ninth inning after a line drive off the bat of catcher Ken Worley hit him on the right knee. Ralph Beard finished the game. Keith Kelley was charged with the loss.

In the only other Interstate League activity, the St. Louis Browns breezed to a 15 to 6 exhibition game triumph over the Harrisburg Senators.

## Sports Roundup

By GAYLE TALBOT

New York, Aug. 7 (AP)—If Arthur Mann, who used to be Branch Rickey's assistant and close confidant, has his way, the baseball hearing down in Washington may yet turn into an extremely interesting and lively production.

Arthur has appointed himself a one-man committee to persuade the House inquiry to dig up the transcript of those two memorable sessions at Sarasota and St. Petersburg in 1947 which resulted in Commissioner Happy Chandler slapping a one-year suspension on Manager Leo Durocher of the Dodgers.

To that end, he has formally wired the presidents of the two major leagues a request that they ask Chandler to produce the transcripts, and he also has strongly recommended to the subcommittee conducting the hearings that it question the ex-commissioner on some aspects of that weird chapter in baseball history.

### He's Written A Book

If they do, he says, it will make rich reading. He claims that the boys down in Washington will gain a vivid word picture of how Chandler administered his own brand of justice, without supporting evidence, against a man whom he simply chanced to dislike. It cost Durocher \$50,000 in salary.

Also, and perhaps not incidentally, Arthur has written a book entitled "Baseball Confidential," which already has appeared serially in a number of newspapers and is due to hit the stands between hard covers just a month from now.

Perhaps the most sensational charge made by Mann is that Chandler was influenced in his decision against Durocher by a letter from a very important man in Washington whose demands could not be ignored. Mann says that Chandler showed the letter to Rickey and Walter O'Malley, then acting head of the Dodgers.

## MORGAN WINS EIGHTH STRAIGHT GAME FOR YANKS

By JOE REICHLER

(Associated Press Sports Writer)  
The New York Yankees appear to have come up with a worthy replacement for 21-year-old Eddie Ford. He is 21-year-old Tom Morgan.

One of the reasons critics were predicting the fall of the Yankee empire last spring was because of Ford's call to the armed forces.

The young righthanded Morgan was shipped to Kansas City last May after losing his first start. But he came back after a month of seasoning and wasted no time filling Ford's shoes.

Stengel started him against Washington on June 26 and he responded by shutting out the Senators, 3-0. Since then he has racked up seven more triumphs without a defeat. His eighth straight came last night, a 4-0 whitewash job against the same Senators. It was his third shutout. He won a 1-0 hurling duel from Ned Garver of St. Louis on July 20.

### Chisox Beat Tigers

The victory stretched the Yankees' first-place American league lead over second-place Cleveland to one full game and over third-place Boston to four games. Both Cleveland and Boston were idle.

In the only other big league activity, Chicago's fourth-place White Sox whipped the Tigers in Detroit, 10-1. First baseman Eddie Robinson cracked two home runs, a double and single to lead the Sox attack while righthander Joe Dobson stopped the Tigers with five hits for his seventh win.

A crowd of 44,344 saw utility infielder Merrill Combs hit a two-run homer in the ninth to give the Indians a 5-3 victory over the Brooklyn Dodgers in an exhibition game in Cleveland.

## Hitler's Retreat To Be Destroyed

Munich, Germany, Aug. 7 (AP)—Hitler's once fabulous retreat in the Bavarian mountains is to be destroyed to prevent it from becoming a shrine for neo-Nazis.

Waldemar Von Knoeringen, chairman of the Socialist Democratic party of Bavaria, said yesterday Bavarian cabinet members recently visited Hitler's bomb-shattered hide-away atop Obersalzberg mountain and decided the ruins should be torn down.

Florida, California, Louisiana and Texas, in that order, have the longest U.S. seacoasts.

## Drain Quarry, Find Five Autos, Trucks

Montgomeryville, Pa., Aug. 7 (AP)—Five autos and trucks have been sighted in or removed from a Montgomery county quarry south of here near the Bucks county line.

The last two cars were sighted late yesterday as the water level in the quarry was lowered from 25 feet to 10 feet. An army truck was hauled out Sunday when the water was lowered from a 60-foot depth. Two other cars were pulled out earlier yesterday.

Montgomery township Police Chief D. H. Chapman said a search would be made for bodies. He added it was possible some of the cars had been dumped in the quarry in an insurance fraud.

## IDAVILLE DROPS LOOP TILT, 4-1

Mt. Holly Springs was awarded a 9-0 forfeit decision over Boiling Springs Monday, and as a result, the Cumberland County league loosened up after the tight battle of only a week ago.

Second place Idaville was humbled by Newville, 4-1, to enable the Springers to stretch their lead to two and one-half games.

Shippensburg Legion shut out third place Friendship Firemen, 6-0, behind Kindelman's four-hit white-wash hurling. In the final loop test, Masland took the measure of Shippensburg VFW, 3-1.

## Out Of The Past

*From the Files of the Star and Sentinel and The Gettysburg Times*  
**FIFTY YEARS AGO**

**Masonic Camp:** The Masonic Fishing Club, not pleasantly encamped at Reck's dam, on Rock creek, are having a very enjoyable time. We have learned from several of the members that quite a fine lot of fish are being hauled to the shore by some of these expert fishermen, as many as 13 large bass having been caught by a single individual in one day.

**Marriages:** Lochbaum-Mickley.—Aug. 3, in this place, by Rev. E. Breidenbaugh, J. Lawrence Lochbaum to Miss Sallie E. Mickley, both of Franklin township.  
Chronister-Stevens.—Aug. 4, at Bendersville, by Rev. Upton A. Hankers, George A. Chronister to Miss Glennie E. Stevens, both of Huntingdon township.

**Livery Change:** Capt. James T. Long, having leased the Central Hotel and embarked in that business, has sold out his interest in the Long and Holtzworth livery to John Hoffman, of this place, and the firm hereafter will be known as Holtzworth and Hoffman. For many years Mr. Hoffman has been connected with different liveries of our town and he is recognized as one of the best battlefield guides in this place.

**Post Office Change:** Ex-Sheriff William B. McIlhenny, the newly appointed Postmaster, assumed his duties under Uncle Sam last Thursday, August 1st, and is now in charge of the post-office in this place.  
To Mr. Young, the retiring postmaster, belongs credit for his efforts in establishing throughout our county the Rural Free Delivery System, which has met with universal success.

**Firemen-Band Festival:** The joint festival held by the Firemen and G. A. Band, of this place, last Thursday, Friday and Saturday evenings, was a success financially and otherwise. The band furnished music during the evenings and our townspeople contributed liberally of their cash. These organizations are deserving of the public patronage which they received. The receipts amounted to \$209.10.

**Delightful Lawn Party:** Mr. and Mrs. J. Emory Bair gave a delightful lawn party in honor of their guests, Maj. W. W. Goldsborough and George Morgan, both of Philadelphia. Mr. Goldsborough commanded the 2d Maryland Confederate Reg't. in the battle here, which is the only Confederate command having a monument on the battlefield. Mr. Morgan is on the editorial staff of the Philadelphia Record. The ladies assisting were Miss Mary Kohler, of Hanover, and Miss Mary Dutta, of this place. The following were the guests: Maj. C. A. Richardson, Maj. Wm. M. Robbins, Dr. H. W. McKnight, Dr. J. W. C. O'Neal, Hon. S. McC. Swope, W. S. Dutta, S. S. Neely, Esq., Guyon H. Buehler and J. L. Williams, Esq.

**Pleasantly Entertained:** The Sunday School and congregation of the Church of the Prince of Peace, of this place, were pleasantly entertained by John M. Warner, at his farm in Cumberland township, on the banks of Marsh Creek, last Wednesday. The day was passed in fishing, games, etc.  
Prof. Harry O. Himes treated a number of his friends to a chafing dish supper at his rooms, Tuesday night.

**Camping Party:** The following parties are now encamped at Knoxlyn and will remain under canvas about three weeks: Allen Joseph and McCrea Dickson, George Wierman and Byron Horner.

**Personal Mention:** Dr. J. W. Richard left last week to visit the Buffalo Exposition.  
Mrs. Laura Hamilton and daughters have moved to York and will make that city their future home.  
Miss Mary C. Kohler, who is the guest of Mrs. J. Emory Bair, gave a delightful trolley party Thursday

## Today's Talk

By GEORGE MATTHEW ADAMS  
**FREEDOM FROM FEAR**

We were all born with a sense of fear within us. While it has its destructive qualities, it also has its protective side. Wellington, noting an officer riding into battle and calling attention to the man's white face, exclaimed: "There goes a brave man, he knows his danger and faces it."

We can never be free from fear, but we can conquer it! Every time we dare fear, and step in its tracks, we have less of it within us. Every time we fail, or seem to, and step forward for another attempt to climb higher, we leave this fear of ours "out on a limb" to its own destruction, while we enter a new spiritual atmosphere.

Most of our fears are home-made. These are the ones that give us the most trouble, anxiety, and worry, and yet they are the ones under our complete control. Their individual mastery helps to give us a key to much of ourselves, and to prove to us what a joy it is to learn that we have it in ourselves to overcome these nearest of all fears.

Most people live braver than they get credit for. Many are the individual battles fought out alone, not against these personal fears, but fears that fill the air from all over the world, and from our daily reading. There are fears in nature, too. How trustful is a wild animal after it has dropped its fear of human beings!

We grow in courage as we are tested, tested as to how we handle these fears of ours, and how much of a conqueror we prove to be, for we must be ever on the alert to face what comes our way. The measure of our strength and happiness is dependent upon how greatly we eliminate fear from our consciousness, and substitute peace in its place.

All of us would be happier, and live more triumphantly, if we would drop from our daily lives so many of those insignificant thoughts and acts that divert us from more worthy ends. The little petty fears, for example, that really amount to nothing, and tend only to cloud one's vision and hope. The more we put our trust in God, the less we have to put into fears!

Tomorrow Mr. Adams will talk on the subject: "The Joy Of Creation."

**THE FOOLISH DRIVER**  
He'd the notion the cars out in front must be passed,  
So he drove down the street at a speed much too fast.  
From the left line to middle; from middle to right  
He swerved in and out to be first through the light.  
Now, his wife, as she sits by his hospital bed,  
Wishes he had been late for his supper instead.

I know that she thinks, as he lies on his cot,  
For two minutes longer the roast had stayed hot.  
And though five minutes late when he sat down to eat,  
The pie she had made would have still been as sweet.  
It is much better safely at home to arrive  
Than have doctors declare: "He's more dead than alive!"

His wife would have rather met him at the door  
Than be rushed by police to a hospital floor.  
But he cut in and out at a speed much too great,  
With the foolish idea that supper can't wait.  
Now if doctors can keep him from joining the dead,  
He'll have six weeks of meals, right on time, in his bed.

## Emmitsburg

### FIRE TRUCK TO BE ON DISPLAY AT CONVENTION

John J. Hollinger, Emmitsburg fire chief, and his son, John S. Hollinger, 2nd assistant chief, will attend the International Fire Chiefs convention in Battle Creek, Mich., August 14 to 17, and bring back with them Emmitsburg's new fire truck. The truck will be on display at the convention. The chassis is a Ford F-7—fire truck. It was built at Battle Creek by the American Fire Apparatus company.

The showing of the new truck at the fire chief's convention reacts advantageously to Emmitsburg in two ways. Delivery will be made ahead of time, and the truck will have all the chrome trim possible because of its selection as a show piece. It will be a two-tone red and white truck fully equipped with modern fire fighting aids.

Dr. H. E. Slocum, optometrist, will close his office on East Main street while on vacation, August 8 to the following week.

Mr. and Mrs. Joseph Kerrigan are spending the summer at 100 East Main street. Mr. Kerrigan has registered at the Tri-State college of Engineering at Angola, Ind.

### Special Staging In "Pride And Prejudice"

Marjorie Green Brubaker's two lavish settings for the Allenberry Playhouse production of "Pride and Prejudice," now in its second and final week at the Boiling Springs summer theater, never fail to impress the audience as the curtains part.

To make it possible to switch the sets within the allotted time between acts, Miss Brubaker built them on false stages which are about six inches higher than the actual stage level, and mounted on special rollers.

In a matter of minutes, the settings, each weighing more than a ton, can be changed, one being rolled off to one side while the second is rolled into place.

"Pride and Prejudice" opened at Allenberry Playhouse July 30 and has played to packed houses ever since. It is the only play this season which will be presented for two weeks. The closing performance of "Pride and Prejudice" will be given Saturday evening.

## U. S. LIKELY TO REJECT RUSS BID FOR PACT

Washington, Aug. 7 (P)—Russia has made a new bid for a five-power "peace" pact. First reaction here argued a flat rejection.

Russian President Nikolai Shvernik revived the two-year-old Soviet offer last night in a surprise letter to President Truman.

"It's the same old chestnut tied with a new ribbon," said a high American official who studied the letter's contents.  
Shvernik's message, bristling with denunciations of western "warmongering," was accompanied by a 2,500 word resolution proclaiming Russia's alleged "dedication to world peace."

This appeared to be Moscow's answer to a resolution Congress adopted last June. The American document expressed friendship and goodwill toward the Russian people.

President Truman sent it along to Shvernik, technically Russia's chief of states, July 7. And he called on Russia's leaders to make it public so the Russian people can learn the "peace aims of the American people and government."

Russia's replying resolution came from the presidium of the Supreme Soviet (Parliament), a small group which acts when the Russian legislature is not in session.

In his accompanying letter, Shvernik called for an agreement by the United States, Russia, Britain, France and Communist China to disarm and prohibit manufacture of atomic weapons. He reiterated Russia's willingness to agree to some form of inspection as a guarantee of her good faith.

The United Nations Assembly overwhelmingly rejected an identical Soviet offer in November, 1949. American officials recalled it was made by Soviet Foreign Minister Andrei Vishinsky.

Washington, Aug. 7 (P)—William M. Boyle, Jr., conferred with President Truman Monday and said afterward he has no intention of resigning as chairman of the Democratic National committee.

Boyle told reporters, "I have always conducted myself honorably."

Boyle's name has been brought into published accounts of a \$556,000 government loan to a St. Louis printing firm.

Harrisburg, Aug. 7 (P)—A bill authorizing sale by the commonwealth of land along limited access highways to private persons for construction of service stations has reached the Senate. The measure, introduced last night by Sen. John G. Snowden (R-Lycoming), would require that the land be sold to the highest bidder who has been a Pennsylvania resident for at least two years.

## LEGION PLANS ANNUAL PICNIC

Plans for the annual picnic to be held August 26 at Benner's Woods were outlined Monday evening at the meeting of the Albert J. Lentz American Legion post at the Legion home on Baltimore street.

Plans were also announced for organization of the post bowling league, to take place during the first two weeks of September. Commander G. Noel Flynn urged the members to fill out and return blood donor cards sent to them earlier this month by the post. Donations were made to the Pennsylvania Association of the Blind and local unit of the Pennsylvania National Guard.

Six members, Vincent Florence, Howard Williams, John Reinecker, Clair Newman, Vernon Miller and Charles Fridinger, will leave today as delegates to the state Legion convention at Pittsburgh. A number of other members are planning to attend the convention over the week-end, it was announced.

Accepted as new members were William A. Stecher, Silver Spring, Md.; Julius Bernhardt, Fayetteville; Stewart E. Davis, Gettysburg R. 4; Stanley Childs, Gettysburg R. 1; John O'Brien, Gettysburg; Willis Zimmerman, Gettysburg; and Nelson Luckman, York. Erna Gearhart, York Springs R. 2, was transferred to Hanover Post 14.

### GAR Planned Statue

Dr. Joseph H. Riley, another SUV spokesman, said the GAR "gave the plot to the town after it was given to them." He said the GAR contemplated the erection of a memorial, but was not financially able to carry through its plans.

"I think we owe it not only to ourselves, but to our children to have foresight to put something here of real importance, a statue of Lincoln in the square which should represent him as he delivered his Gettysburg Address in the National cemetery. I think that would be the wish not only of members of the Sons of Union Veterans who have gone before, but of the GAR, which didn't have the finances to do the job."

"We have heard that the main object in the removal of the center plot was to relieve traffic congestion," John D. Lippy, Jr., a director of the Retail Merchants association, said.

## Rep. Gillette, 71, Dies In Towanda

Towanda, Pa., Aug. 7 (P)—Rep. Wilson D. Gillette (R-Pa.), a member of Congress since November, 1941, died today at his home. He was 71. Cause of death was bronchial pneumonia. His secretary said he had been ill for several months.

Gillette represented Pennsylvania's 14th congressional district. Before he went to Washington he served 12 years in the Pennsylvania Legislature.

The funeral will be held here Friday at the First Methodist church with burial in Oak Hill cemetery. His widow and a sister, Mrs. William Ramsom of Towanda, survive. He had no children.

Death of Rep. Gillette makes Pennsylvania's representation in the lower House of Congress 19 Republicans and 13 Democrats. The district which Gillette represented includes Bradford, Columbia, Montour, Pike, Sullivan, Susquehanna, Wayne and Wyoming counties.

## Turnpike Takes 11-Mile Step Today

Pittsburgh, Aug. 7 (P)—The Pennsylvania turnpike took an 11-mile step today.

A portion of the super highway's western extension was opened to traffic at 12:01 a.m. The new stretch runs from Irwin to the Pittsburgh interchange, located north of the steel at Monroeville. Traffic began flowing without ceremony.

The rest of the 67-mile extension to the Ohio state line probably will be completed late this year.

question of removing our center plot has been egged on by the borough council. I don't see the state bothering Chambersburg, or New Oxford, or Hanover."

Dr. Kenneth Smoke, past president of the Rotary club, pointed out that near Westminster Abbey in England there is a statue of Abraham Lincoln. "Gettysburg, made famous by Lincoln, has no statue in the town of this great man. If a town 3,000 miles away in England can build one in the center of the town, why can't Gettysburg?"

Mrs. Guyon E. Buehler, president of the Women's Civic Council, said she regretted that this had been called, in out-of-town newspapers, a "town feud." She said "we have on several occasions complimented the council on actions it has taken for the betterment of the town, and we have tried to work with the council. We urge that you continue to let us work with you."

### Urges Cooperation

At this point Councilman Fred Hummelbaugh, chairman of the safety committee, presented a letter and report from A. J. Bedard, district state highway engineer, Harrisburg, which was read by Mrs. Anna Dracha, borough secretary.

In his letter Mr. Bedard declared that congested conditions are being created by "heavy turning movements at the intersections" and that "it is feasible to operate in better movements of traffic... without the use of an island in the center of the square."

### Highway Opinion

Mr. Bedard's letter (without corrections) follows:

"This will acknowledge receipt of your letter of June 22, 1951 in which you have shown signatures of the various members of the Gettysburg borough council who favor the removal of the center plot or island located in the center of Lincoln Square in Gettysburg borough.

"We wish to advise that a recent survey was made with regard to traffic movements, volume and certain congested conditions of which is being created by heavy turning movements at intersections. It was found from our observations that the traffic movements at the Lincoln Square was greatly retarded and with increased congestion due to the turning movements of traffic from all directions over any intersection has a tendency to congest as well as endanger motorists from the stand-

point of approaching vehicles driving to the rear of other motorists who are parked or parking in the various corners of the town square.

### Favor Removing Plot

"Therefore, from our analysis of the existing situation we are thoroughly of the opinion that it is feasible to operate in better movements of traffic, especially at this particular location, without the use of an island in the center of the square. It has been proven on various occasions that direct movements of traffic expedite a greater volume and with less danger of accidents to the traveling public.

"We feel that if the island is removed, some provisions will have to be made for fixed time traffic control.

"We appreciate the interest of the council in matters of traffic safety and assure you of the department's cooperation whenever possible. We are attaching one copy each of traffic flow diagram as well as an expansion of the count taken on January 24, 1951."

### Survey Figures

Mr. Bedard's figures showed that 4,453 vehicles passed through or turned through Lincoln square in a 4-hour period; that the passage of vehicles in an average eight-hour count was 11,980 and the peak traffic load in an eight hour count was 16,149. It further claimed that the annual daily average was 22,733 and the annual peak daily average was 30,643.

The survey was made on January 24, 1951, between the hours of 2 and 6 p.m. A pedestrian count was also given, showing the following crossings: York street, 1,082; Carlisle street, 706; Baltimore street, 1,108; and Chambersburg street, 1,048.

### Asked For Report

In presenting Mr. Bedard's letter and survey report, Councilman Hummelbaugh said, "The state made no recommendations whatsoever, but gave us the letter as we requested."

### Oppose Moving Plot

President Oyler said, "Personally I'm against taking it out. I didn't sign any application for a survey. There has been so much expression against its removal from the citizen and taxpayers that I'm against it, too."

Council March said that "while Mr. Hummelbaugh came to me to sign his paper he said there would be a public hearing. When I asked him last week, he said that this has been dropped."

Mr. Koch, who had previously opposed removal of the center plot, reaffirmed his position, declaring, "I'm bitterly opposed to taking out the center plot."

DOUBLE SHOWER  
BY OFFICE FORCE

A double shower was held Thursday evening, in honor of two members of the office staff of the Windsor Shoe company, Inc., at the home of Miss Betty Arter, near town. A bridal shower was held in honor of Mrs. William Straley, the former Alma Morehead, who was married on July 30, and a stork shower in honor of Mrs. Fidelis Redding, the former Teresa Anthony. Gifts were opened and displayed by the honored guests and a social hour was held. A buffet style luncheon was served by the hostess, on the lawn at her home. Decorations included a three-tier wedding cake, which was cut by the bride. Those girls of the office staff in attendance were Mrs. Redding, Mrs. Straley, Mrs. Margaret Rebert, Mrs. Betty Zumbum, Mrs. Nancy Flickinger, Mrs. Mary Myers and Mrs. Mary Ellen Bortner, and the Misses Elizabeth Mehring, Kathleen Mehring, Rita Sneeringer, Bernice Plunkert, Barbara Jeffries and Jacqueline Markle.

Pfc. Clyde Good, Sampson Air Force Base, Geneva, N. Y., spent the week-end at the home of his parents, Mr. and Mrs. Robert Good and family, Crouse Park. Other guests, Mr. and Mrs. Robert Good, home, included Mr. and Mrs. Harvey Bowersox and sons, Allen and Don-

ald, and Mr. and Mrs. John Houck, Hanover; Miss Linda McElwee, Manchester, Md.; Mrs. Clair Worley and family, York, and Glenn Lippy, Luther Hess, Merle Brumgard and Mrs. Bernard Weaver and son, Bernard, Jr.

Miss Carole Ann Sneeringer, New Oxford, R. D., is spending some time at the home of her uncle and aunt, Mr. and Mrs. Felix Lawrence, Prince street.

Activities at the first night of the carnival being sponsored by Alpha Fire company No. 1 were curtailed due to the inclement weather, on Monday. A brief program was presented by the Buckboard Ramblers. Refreshments were on sale and rides were featured for the children. The Black Hills Caravan, cowboys and cowgirls singing stars of radio and stage, will provide entertainment for this evening at the Littlestown playground.

**Schwartz Reunion Held**

One hundred forty-seven were present at the annual reunion of the Schwartz family, held on Sunday at the Arendtsville Union park. A picnic lunch was enjoyed and games were played. Prayer was offered by the Rev. John Bishop, followed with remarks made by the Rev. Walter Spangler of Ridgeville. Prizes were awarded to the following: oldest present, Howard Conover, Littlestown, R. D.; youngest present, Ellen Margaret Schwartz, near Gettysburg, and couple having the largest family present, Mr. and Mrs. Oliver Waybright, near Gettysburg. A business session was conducted in charge of the officers of the clan: John Schwartz, Gettysburg, president; Willis Way-

bright, Gettysburg, vice president; Mrs. Evelyn Slusser, Littlestown, R. D., secretary, and Clarence L. Schwartz, Sr., Littlestown, treasurer. Lawrence Fox comprised the ice cream committee, and the program committee was composed of Mrs. Ralph Sloat, Mrs. Emory Gitt and Miss Eva Jane Schwartz.

The Littlestown Junior-Senior high school band will meet for rehearsal Thursday evening at 8 o'clock in the music room of the high school building, as announced by Paul A. Harner, director. The practice will be in preparation for the concert at the Alpha Fire company carnival Friday evening, on the Littlestown playground, at which time ten percent of the gross proceeds of the carnival will be given to the band uniform fund. The group will also entertain at the Sunday school picnic of Baust Evangelical and Reformed church, near Tyrone, Md., on Saturday evening in the church grove.

The Littlestown 4-H Charm in the Home club will hold its regular meeting on Wednesday afternoon at the home of Miss Creta Epley, Littlestown, R. 1, at which time the members will continue to work on their individual projects.

The August meeting of the Women's Missionary society of St. Mary's Lutheran church, Silver Run, will be held on Wednesday evening at 7:30 o'clock at the home of Mrs. Lawrence Haines, near Black's Corner. The leaders will be Miss Elaine Haines and Miss Shirley Wantz.

WOULD OUTLAW  
REDS IN PENNA.

Harrisburg, Aug. 7 (P)—Legislation authorizing state authorities to arrest and prosecute every Communist party member in Pennsylvania was before the General Assembly today.

Bills were introduced simultaneously in the House and Senate last night outlawing the Communist party in the state by name and making membership in it a felony.

The legislation was submitted with the backing of Judge Michael A. Musmanno, of Pittsburgh, Democratic nominee for the state supreme court. "We have outlawed burglary, robbery, murder, arson," Musmanno said in a statement. "Communism is worse than any of these because it

seeks to assassinate the very soul of mankind."

The bills, submitted under bipartisan sponsorship, would impose a maximum jail sentence of 20 years or a maximum fine of \$10,000 on anyone "whose activities further the purpose of the Communist party to bring about revolution."

"Committed to the overthrow of the federal and state governments," the bill said, "the Communist party of the United States in Pennsylvania is hereby declared illegal and not entitled to any of the rights, privileges and immunities attendant upon legal bodies created under the jurisdiction of the commonwealth of Pennsylvania."

The bill would forfeit all personal, real property or funds of Communists to the commonwealth.

Rochester, N. Y., Aug. 7 (P)—Roger P. Bushek, 18, got no comfort from the pillow he stuffed into a window of his car to ward off cool breezes. The pillow blew into the car and momentarily blinded Bushek. Meanwhile the auto, out of control, according to police reports, rammed four parked autos, pushing one of them into the wall of a restaurant.

Senate Probers In  
Scranton Today

Washington, Aug. 7 (P)—The Senate crime committee turns its spotlight today on Scranton and Wilkes-Barre, Pa., in an investigation of the area's organized gambling activities.

The committee had on tap a dozen or so witnesses who, it was hoped would be able to give a "comprehensive" picture of the Scranton-Wilkes-Barre crime situation.

A committee aide said that efforts to serve a subpoena on Louis Cohen of Cresco, Pa., had been unsuccessful. The committee said it wanted to question Cohen about a \$20,000,000 to \$25,000,000 treasury balance lottery.

The spokesman said that Cohen is believed to be in Florida. On hand, however, was Joseph Size, Scranton, whom the committee identified as one of Cohen's lieutenants.

Washington, Aug. 7 (P)—President Truman said Monday the mid-west must elect more "forward-looking, liberal-minded members of Congress" to assure creation of a Missouri valley authority to control floods.

Mr. Truman expressed this view

in a letter to CIO President Philip Murray. It was in response to one in which Murray asked him to set up immediately an emergency commission to draw up a river management program for the Missouri valley.

Grant and Lee met at Appomattox Court House, Va., on Palm Sunday 1865 to end the Civil war.

Electric cooking is cool cooking. Enjoy the time spent in your kitchen these hot sultry days -- knowing full well that Electric cooking is cooler than any other kind. Here's why --

1. The Electric range is completely insulated—the baking section, for instance, is insulated on all six sides — so kitchens stay degrees cooler. And, too, since flu vents are unnecessary, there's no heat escaping or vapors to darken the walls of your kitchen.

2. All the heat from the surface units of the modern electric range goes directly into the utensils—none of it escapes on the sides and into the kitchen. And remember—coolness is only one feature of an electric range. Let your local appliance dealer acquaint you with other features of the modern Electric range.

It's clean—automatic—fast—economical.

# MIGHT EXTEND IQ TESTS TO MAYORS ALSO

By RELMAN MORIN  
New York—The mayor of a town in upstate New York came through with an interesting idea the other day.

It was about giving intelligence tests to newspaper reporters. He said that if a map failed in the test, a newspaper should be prohibited, by law, from hiring him as a reporter. The mayor said there ought to be such a law, and he asked the city council to write and enact it.

A couple things about the mayor's idea struck me right away. You will notice that he specified reporters. He didn't say whether the law should be applied to anybody else on the paper. Apparently, he doesn't care what kind of IQ they have over on the news desk, or down in the business office. He doesn't insist that the circulation manager should be able to define the second law of thermodynamics—much less give the date when it was passed. So what's going to happen?

**What Kind Of Tests?**  
A fellow comes into the city room looking for a job. He knows his Binet batting average is pretty low. There is only one thing for him to do, admit it, and say, "I'm too dumb to be a reporter, but do you need a good city editor?"

The other disturbing thing about the mayor's idea is that he doesn't specify what kind of intelligence test should be used on reporters. There are several, you know.

For instance, I hope they don't use the ink-blot test. It's for backward children, and, to this day, I have a lot of trouble with it.

In this test, they show you an album of eccentric shapes and patterns. As you look at them, you are supposed to tell the examiner what they make you think of. (No coaching from the audience, please.)

Actually, the blot looks exactly like a blot, and nothing else whatever.

**For Politicians Too**  
Then there is the word-test, and if they require all journalists to take that one, I am afraid the carnage will be ferocious.

But while all of us are over in one corner fitting blocks together to qualify as reporters, it might be a good idea if all the politicians in the world were taking a different kind of test. It would embrace—

1. A speaking acquaintance with the eighth, ninth and tenth commandments.
2. The faculty of distinguishing between black and white.
3. The ability to speak at least basic English.
4. A definition of the words "promise" and "campaign promise." You understand that, personally, I'm not worried about my future even if that intelligence-test law does flunk me out of the newspaper business.

I have a standing offer of a job as mayor.

## Littlestown

Littlestown — Approximately 300 roast chicken and ham suppers were served at the annual public picnic of Grace Lutheran church, Two Taverns, on Saturday evening in the social hall. The suppers were prepared and served by the ladies of the Sunday school. Refreshments were also in sale.

A strawride will be held in connection with the regular monthly meeting of the Mother's Sunday school class of St. Mary's Evangelical and Reformed church, Silver Run, on Friday evening. Those planning to go on the ride are requested to meet at the church at 7 o'clock that evening, except those living in Union Mills and Westminster. They will be picked up enroute to the home of Mrs. Levine Pitzel, Smallwood, where the meeting will be held. The devotional period will be in charge of Mrs. Guy W. Wolf and Mrs. John Humbert. August 10th and 11th

WEARING her beaming smile, and carrying with her the famous secret recipe for the world's most famous pancakes, Aunt Jemima is making a personal visit to town this week.

As she arrived, her expression "I see in town, honey," was a signal of pleasure to folks who love good eating. During her visit she will serve her delicious pancakes to hosts of her friends, who will be on the lookout for her in local stores.

Aunt Jemima makes this special journey to remind local housewives of the never-ending popularity of her pancakes, how easy it is to prepare pancakes men love so much, and how little it costs to serve appetizing feasts this way.

Washington, Aug. 7 (AP) — A. B. (Happy) Chandler, who left the Senate to become baseball's high commissioner, came back to Capitol Hill Monday and opined: "A man would have to be stupid" to take the job under present rules.

Testifying at the House inquiry into baseball, Chandler said that

first of all he didn't like the rule requiring the commissioner to get votes of 12 of the 16 major league clubs to hold his \$65,000 a year job. It should be just a majority vote, he said.

## IRATE PARENTS BATTling FOR SONS AT POINT

West Point, N. Y., Aug. 7 (AP)—The superintendent of West Point said today that any of the 90 accused cadets who admit classroom cheating will be given a chance to resign with a clean record.

"This was always contemplated," Maj. Gen. Frederick A. Irving told the first news conference he has called since the scandal broke last Friday.

West Point, N. Y., Aug. 7 (AP)—Irate parents pleaded today that President Truman restore to duty their accused cadet sons, whose pending dismissals from the military academy have started a congressional inquiry.

Presidential intervention in behalf of the 90 cadets, who face expulsion for cheating at examinations, was sought by a number of their parents now on the West Point campus. The parents sent a telegram appeal to Mr. Truman last night shortly after a Senate expenditure investigating subcommittee announced in Washington it would begin today checking complaints that the cadets got what some of them

called a "raw deal."

Both Maj. Gen. Frederick A. Irving, academy superintendent, and head football coach Earl "Red" Blaik, whose vaunted team was hit by the dismissal order Friday, have stated they would like to see such an inquiry.

In their telegram to President Truman, the parents said: "The dismissal in disgrace and without trial of our 90 sons at the military academy is a travesty on the American idea of justice and a needless waste of the lives of these young men. We petition you to make their punishment fit their crime."

"Your order restoring them to duty without prejudice subject to proper cadet discipline, permitting them the right to normal graduation and commission, would be appropriate, charitable and a fatherly act of understanding leadership."

**Parents Committee Formed**  
"Make it possible for them to re-join in service to the nation for the error of their youth. We vouch for these young men. They are our sons."

The telegram was disclosed by retired army Col. Harrison Travis, of Atlantic Highlands, N. J., who said parents of 15 accused cadets had formed a "parents committee" to fight for their sons in Washington. In addition to the telegram, Travis, a West Point graduate, said a delegation will appeal directly to Defense Secretary Marshall.

Travis, whose son, Harrison, Jr., was a football squad member, said

## Teachers Taking Case To Harrisburg

Pottsville, Pa., Aug. 7 (AP)—Some 200 teachers from Schuylkill and Northumberland counties will go to Harrisburg tomorrow to demand back salaries and assurances of regular income in the future, their spokesmen announced.

John L. Miller of Gilberton and William Elerschmidt of Kulpmont said the teachers will seek audience with Governor John S. Fine and Senator Paul Wagner of Tamaqua, chairman of the Senate Education committee, and ask restoration of \$489,000 which the Legislature cut from funds for distressed school districts.

The decision to take their grievance to the state capital was reached last night at a meeting of about 100 teachers representing more than a dozen school districts in the two counties. The meeting was held in Cass Township high school near Minersville.

The sentiment of the meeting, the spokesmen said, was "either we get our money or there will be no school in September."

the right of courts martial was denied the 90 cadets. The academy previously said the cadets as "inferior officers" did not have the right of a commissioned officer to ask a military trial.

**Probe Started**  
While the parents supported their accused sons here, Senator Hoye (D-N. C.) started the expenditures subcommittee on its probe. He invited Senate Armed Services committee members to take over the inquiry, but received no immediate reply. Chairman Vinson (D-Ga.) said the House Armed Services committee wants none of it.

Several lawmakers—including Senators Welker (R-Idaho), Hunt (D-Wyo.), Benton (D-Conn.) and Kerr (D-Okl.)—said the West Point faculty must share the blame for the scandal, along with the cadets.

Other senators debated the possibility of abolition of West Point's football team, 44 of whose players reportedly are among the accused. The senators disagreed widely on this issue.

## Feed Blood Plenty of IRON—

With Iodine and B Vitamins If You Wish To Quickly Regain Strength, Pep and Energy After Illness

There's positively nothing better than FERRIZAN, to pick you right up and make you feel that Life's is worth living again—and if your condition, as is so often the case, is due to need of more essential vitamins and food iron for building up your blood.

FERRIZAN is a true Reconstructive dietary supplement for those who may so sadly need its benefits. It is especially valuable in simple blood-iron deficiency anemia, which can be manifested by tiredness, exertion, lassitude, an "all-gone" feeling of "no accountness," yet when nothing seems wrong otherwise. Give FERRIZAN a chance to pick you right up, increase your appetite, give you more energy from richer blood. FERRIZAN is sold on a positive Money-Back Agreement if, after a 30-day trial, you do not deem it has done real wonders for you. Get genuine FERRIZAN at Peoples Drug Store.

Littlestown Sailor  
Escapes Injury  
Allen Walters, 23, Littlestown, who arrives on the presidential yacht Williamsburg had a narrow escape from injury about 12:40 a.m. Monday when his automobile was struck by another on the Baltimore highway about six miles south of Hanover, according to state police.

Walters, who is in the navy, was enroute to Washington when the crash occurred. According to State Police Lt. Leon Leiter, James D. Handy, 49, Baltimore, was driving his car north on the highway, apparently on the left side of the road, and collided with the Walters machine.

Handy, Officer Leiter said, was taken before Justice of the Peace John W. Dubs, Penn township, and charged with failing to drive on the right side of the highway. The accused, Leiter said, pleaded guilty and was released on payment of fine and costs.
